A note from  
Ms. Phyllis Laughlin

JJ Quality Bldrs.

Just want to say that my  
roof is beautiful. What  
a fantastic job. Every  
worker was so professional.  
No slacking always  
doing their job.

James was a jewel  
to work with. A man  
of his word. So nice to  
see in today's world.

So thank you very  
much. I will continue  
to recommend your company.  
& the great work.

Sincerely  
Phyllis Laughlin
